Dear Steven,

Thank you for contacting me to share your concerns about a proposed transmission line and cell tower in Crook County. I appreciate you raising this issue with me.

Thanks to your message and correspondence from fellow Oregonians, who have also expressed concerns, my staff is taking a closer look into this matter.

Again, I have made note of your points and appreciate your input. I hope you will continue to send your observations and thoughts my way.

All my best,

Jeffrey A. Merkley
United States Senator
